

Hello!

Thank you for reaching out to Pitching Coach Pro. We provide high caliber MLB Pitching Training for all athletes, from young to Pro levels. In December of 2021, we added Owen Panovec to our team as Pitching Coach Pro's R&D Coach. Owen is a Certified Rapsodo Specialist, attends Northampton Community College, and is an Assistant Varsity Baseball Coach at Nazareth High School. While Coach Schrenk was away coaching with the New York Mets Organization the last 2 seasons, Owen kept our pitchers going strong, providing instant feedback in training sessions with our Rapsodo data.

Currently, we have a great group of pitchers who belong to our Pitching Coach Pro family.

We offer:

- Arm Care and Velocity Training
- Individual Assessments by Schrenk to improve your game immediately
- Bullpens, Instruction, Rapsodo
- Group Training

*If you would like to join the Pitching Coach Pro Email List to be considered for a future opportunity to train, please fill out the following survey, so we can get some more information about yourself/ your athlete!
