

Hello!

Thank you for reaching out to Pitching Coach Pro. We provide high caliber MLB Pitching Training for all athletes, from young to Professional levels and are currently training pitchers in the PA, NJ, and DE regions. We have recently added Owen Panovec to our team as Pitching Coach Pro's R&D Coach. Owen is a Certified Rapsodo Specialist, attends Northampton Community College, and is an Assistant Varsity Baseball Coach at Nazareth High School. While Coach Schrenk is away until September coaching with the New York Mets Organization, Owen is working with our pitchers, teaching proper mechanics after being guided and trained by Schrenk, who has 35 years experience in professional baseball. Owen, being Rapsodo Certified and knowledgeable of data analytics, provides instant feedback in training sessions with our Rapsodo data. This provides insight on what your pitch is doing and how it can be improved.

If you would like to join the Pitching Coach Pro Email List to receive updates on our schedule and availability along with information on our successful MLB Velocity Training Program, please fill out the following survey, so we can get some more information about yourself and your athlete!
